ATTENDANCE:

1. You must sign in and out using the team attendance google form.
2. A event should be made on the [team Google Calendar](#) for every meeting and the team captain must notify all members
3. Meeting times and dates are official decisions
4. Meetings should be attended by at least 60% of the team to count
5. You must have a genuine reason for missing a meeting. (stated in disciplines - attendance part d)

Reasons are as follows:

- a. Religious obligations
- b. Other school teams (i.e. sports, marching band, science olympiad, etc.) - must notify captain beforehand
- c. Illness
- d. Vacation that must be notified to the team captain
 - i. A team member cannot make the excuse of going on vacation all the time

- ii. After a few meetings missed the member will lose that privilege
- 6. You may not sign in without being present at a team meeting
- 7. If attendance falls below the required percentage, your attendance will be brought to the attention of the advisors and the team captain which can have consequences as severe as overall removal from the team before

GENERAL RULES:

1. Changes to this [document](#) must be approved by ALL members on the team. If a member is “impartial” their vote will default to approval of the change.
2. Any changes to the robot should be made during a team meeting and if a majority of team members don’t think the change should be made it should not be implemented. (Overall decision making goes to Head Mechanical)
3. All team members should attend the fundraising events that 750B is running
4. All team members should notify the rest of the team and Mr. Brady if they are taking parts for the robot
5. If an item is being purchased, majority of the team should agree
6. If the attendance requirement of 70% is not met by a member they will be removed from the team with warnings
7. Meetings will be announced 2-3 days beforehand

DISCIPLINES:

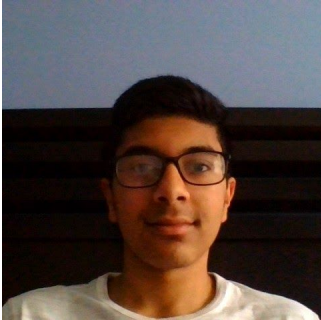

1. Attendance warnings will be dealt with as follows:
 - a. After a attendance of 70% or under is reached, the member will be warned by the team captain
 - b. After an attendance of 50% is reached, the member will be unable to attend competitions (not participating in any of the team glory when competitions are won), and will be questioned for the reason for the lack of attendance.
 - c. If below 50% is met, the team member will have a talk with the team captain and the advisors
 - d. If the member continues to drop in attendance, they will be removed from the team

- e. Member may be exempt for certain reasons determined by the rest of the team. Examples include: Tests such as the SAT or ACT, religious holidays, severe illness, or if the member is on vacation (they must notify the team beforehand and it must be reasonable). If the member is making the excuse of a vacation every week they will not be excused from further meetings
- 2. Any inappropriate behavior during competitions will result in the removal from the competition and may even result in removal from the team. We are representing South Brunswick at competitions, act responsibly and appropriately. Inappropriate behavior may include, acting childish, yelling for no reason, yelling at/fighting with other teams, throwing food, etc.
- 3. If a team member is significantly slacking on their roles, they will be given warnings as follows:
 - a. First offense - notified by a team member
 - b. Second offense - removal from team parties and events
 - c. Third offense - unable to attend competitions
 - d. Fourth offense - removal from team

TEAM MEMBER BIOS:

My name is Zach Soriano I am fifteen years old. As of this day I am currently in the tenth grade. My current hobbies are participating in the music department, self learning piano, and cooking. I aspire to be an electrical, chemical or computer engineer because I enjoy working with my hands and being able to advance myself and others with my work. A couple of facts about myself; I am an individual who gets my work done on time and refuse to give up until I am told to stop. I like to work in a small groups that are relaxed yet focused and determined to accomplish their goal while having some fun

	<p>along the way. I believe that the only way to accomplish achievements is to continuously practice and try until you understand precisely what needs to be done.</p>
	<p>My name is Aditya Chenji and I am a junior at South Brunswick High School. As of now I aspire to be a civil engineer when I finish my education. In my free time, I like to listen to music and play video games. I also enjoy working on computer science projects in Java. I am thinking about majoring in Computer Science or Engineering.</p>
